## **AdvoCare® Helps the Fight Against Hunger, Donates \$100,000 to Food Banks Across the U.S.**

*Donations help replenish food banks after the busy holiday season for third year-in-a-row*

**(PLANO, Texas)** – [AdvoCare International, LP](#) (AdvoCare), a premier health and wellness company, announced today it donated \$100,000 to food banks across the U.S. to help the fight against hunger. AdvoCare made a \$10,000 donation to 10 local food banks in cities that coincide with the company's AdvoNation® leadership training events January 9 and 16.

The food banks selected to receive a donation are part of [Feeding America](#), a nationwide network of 200 food banks that leads the fight against hunger in the U.S. Together, the organization provides food to more than 46 million people through 60,000 food pantries and meal programs in communities across America. This year alone, AdvoCare donated 355,000 meals across the 10 cities.

AdvoCare's food bank donations benefitted programs focused on childhood hunger and nutrition. The donations helped the food bank's Kids Café and Back Pack programs, weekend food programs that provide nutritious food to children from food insecure households.

"Proper nutrition is crucial to a child's health, academic achievement and overall development. We believe no child should ever be left hungry and AdvoCare is committed to providing the resources and nourishment they need to build the best versions of themselves," said **Allison Levy, Executive Vice President and Chief Legal Officer for AdvoCare.**

The following Feeding America partner food banks received a donation from AdvoCare:

- Atlanta Community Food Bank
- Food Bank of Iowa
- Food Bank of the Rockies
- Freestore Foodbank
- Houston Food Bank
- Los Angeles Regional Food Bank
- North Texas Food Bank
- Oregon Food Bank
- Regional Food Bank of Northeastern New York
- Second Harvest Food Bank of Central Florida

January is an important month for food banks as they work to replenish their inventories after the busy holiday season. This campaign marks the third year-in-a-row AdvoCare has donated to food banks as part of the AdvoNation leadership training events. Collectively over the course of the three years, AdvoCare has donated more than \$600,000 to the food banks.
